

CCRN CARDIOLOGY HIGHLIGHT SERIES

AHA HIGHLIGHTS 2026

**TUESDAY,
NOVEMBER 24**

7:00 – 8:30 pm ET

Program Overview:

This program covers key clinical trial findings and their implications from the AHA scientific sessions. This program is intended for cardiovascular specialists and primary care physicians.

Learning Objectives:

Following participation in this program, participants will be able to:

- Identify the clinical implications of the new data presented at the scientific sessions
- Examine where the data presented may impact clinical practice guidelines
- Apply the latest evidence-based strategies in clinical practice

Discussion Topics:

- Topics will be selected by the scientific planning committee closer to the date of this event.
