University of Toronto  
Medical Director,  
Collaborative CME and Research Network  
Brampton, ON*

## Darren McGuire

MD, MHSc

*Professor of Medicine, Division of Cardiology;  
Department of Internal Medicine,  
University of Texas Southwestern Medical Center  
Lead Physician,  
Parkland Health Cardiology Clinics  
Dallas, TX*

Recorded on:

Tuesday,

**April 22, 2025**

**Join this in-depth discussion  
about the SOUL trial with  
Dr. Darren McGuire, lead  
investigator.**

Gain insights into integrating GLP-1  
+/- GIP agonist therapies into your  
cardiology practice, and explore the  
exciting future of new agents in  
development.

### Learning Objectives

- Discuss the role of obesity as a risk enhancer in cardiovascular diseases
- Review the benefits of novel incretin therapies in ASCVD and heart failure
- Develop a practical approach to prescribing and monitoring these therapies
