

SACC Learning Objective:

Identify, evaluate, and treat South Asian patients with and at risk for cardiovascular disease.

SACC Agenda

Oct. 22/25 Co-Chairs: Milan Gupta/Alka Kanaya

Time	Talk	Faculty
7:00 PM	Opening Comments	Milan Gupta & Alka Kanaya
7:05 PM	Cardiometabolic risk in South Asian women	Sadiya Khan Chicago, IL
7:23 PM	SANSAR/Burgundy Young Investigator Award	Narendra Singh Atlanta, GA
7:33 PM	What are the mechanisms underlying the South Asian CV epidemic?	Alka Kanaya San Francisco, CA
7:51 PM	Risk assessment/coronary calcium in the apparently healthy South Asian	Anandita Kulkarni Plano, TX
8:09 PM	Specific lipid considerations and future directions	Milan Gupta Brampton, ON
8:27 PM	Discussion	
9:00 PM	Closing	

Oct. 29/25 Co-Chairs: Milan Gupta/Alka Kanaya

Time	Talk	Faculty
7:00 PM	Opening Comments	Milan Gupta & Alka Kanaya
7:05 PM	The Brown Heart - Real stories of survival and loss related to the menace of heart disease in South Asians	Nirmal & Renu Joshi Mechanicsburg, PA
7:20 PM	Yoga and Stress Management	Sat Bir S. Khalsa Medway, MA
7:38 PM	Diabetes in South Asians	Harpreet Bajaj Brampton, ON
7:56 PM	Chronic kidney disease/ heart failure in South Asians	Narendra Singh Atlanta, GA
8:14 PM	Obesity: Current and new directions in South Asians	Megha Poddar Toronto, ON
8:32 PM	Discussion	
9:00 PM	Closing	

8th Annual South Asian Cardiovascular Conference

October 22 & 29, 2025
7:00 - 9:00 pm EDT

VIRTUAL

Co-Chairs

Milan Gupta

MD, FRCPC, FCCS, CPC(HC)
Assistant Professor,
Department of Medicine,
University of Toronto
Medical Director,
Collaborative CME and Research Network
Brampton, ON

Alka Kanaya

MD, FAHA
Professor of Medicine, Epidemiology &
Biostatistics, University of California
San Francisco Principal Investigator,
MASALA Study
San Francisco, CA

CFPC Accreditation:

This activity has been certified by the College of Family Physicians of Canada for up to 4 Mainpro+® Certified Activity credits.

AAFP Accreditation:

Members of the American Academy of Family Physicians are eligible to receive up to 4.00 Prescribed credit hours for attendance at this meeting/event due to a reciprocal agreement with the College of Family Physicians of Canada.

8th Annual
South Asian
Cardiovascular
Conference

October
22 & 29, 2025
7:00 - 9:00 pm EDT

SACC Full Agenda

Session 1: Wednesday, October 22 (7:00 - 9:00 pm EDT)

Co-Chairs: Milan Gupta/Alka Kanaya

Time	Talk	Learning Objective	Faculty
7:00 PM	Opening Comments		Milan Gupta & Alka Kanaya
7:05 PM	Cardiometabolic risk in South Asian women	Identify the unique cardiometabolic risk factors in South Asian women and discuss strategies to address these factors in clinical practice.	Sadiya Khan Chicago, IL
7:23 PM	SANSAR/Burgundy Young Investigator Award	Discuss recent research on the health of South Asian populations and the implications for clinical practice.	Narendra Singh Atlanta, GA
7:33 PM	What are the mechanisms underlying the South Asian CV epidemic?	Discuss the biological, genetic, and environmental factors contributing to the cardiovascular epidemic in South Asian populations.	Alka Kanaya San Francisco, CA
7:51 PM	Risk assessment/coronary calcium in the apparently healthy South Asian	Evaluate the role of coronary calcium scoring in cardiovascular risk assessment for apparently healthy South Asian individuals.	Anandita Kulkarni Plano, TX
8:09 PM	Specific lipid considerations and future directions	Examine the lipid management strategies specific to South Asian populations and discuss future directions in lipid research and treatment.	Milan Gupta Brampton, ON
8:27 PM	Discussion		
9:00 PM	Closing		

Session 2: Wednesday, October 29 (7:00 - 9:00 pm EDT)

Co-Chairs: Milan Gupta/Alka Kanaya

Time	Talk	Learning Objective	Faculty
7:00 PM	Opening Comments		Milan Gupta & Alka Kanaya
7:05 PM	The Brown Heart - Real stories of survival and loss related to the menace of heart disease in South Asians	Examine the underlying causes of heart disease in young South Asians and develop strategies to raise awareness about this growing health crisis.	Nirmal & Renu Joshi Mechanicsburg, PA
7:20 PM	Yoga and stress management	Identify the role of yoga and stress management techniques in improving cardiovascular health.	Sat Bir S. Khalsa Medway, MA
7:38 PM	Diabetes in South Asians	Describe culturally relevant approaches to the prevention, diagnosis, and management of diabetes in South Asian individuals.	Harpreet Bajaj Brampton, ON
7:56 PM	Chronic kidney disease/ heart failure in South Asians	Examine the prevalence and impact of chronic kidney disease and heart failure in South Asian populations, and discuss appropriate management strategies.	Narendra Singh Atlanta, GA
8:14 PM	Obesity: Current and new directions in South Asians	Identify current and emerging strategies for managing obesity in South Asian populations, including culturally specific interventions.	Megha Poddar Toronto, ON
8:32 PM	Discussion		
9:00 PM	Closing
